KC MAN INDICTED FOR POSSESSION, INTENT TO DISTRIBUTE CRACK

KANSAS CITY, Mo. – Todd P. Graves, United States Attorney for the Western District of Missouri, announced that a Kansas City, Mo., man was indicted by a federal grand jury today for possession with intent to distribute crack cocaine.

Lamon L. Freeman, 21, of Kansas City, Mo., was charged in an indictment returned by a federal grand jury today in Kansas City.

The federal indictment alleges that **Freeman** possessed with intent to distribute 50 grams or more of crack cocaine on Nov. 13, 2003.

Graves cautioned that the charges contained in the indictment are simply accusations, and not evidence of guilt. Evidence supporting the charges must be presented to a federal trial jury, whose duty is to determine guilt or innocence.

The case is being prosecuted by Assistant U.S. Attorney Kate Mahoney. It was investigated by the Kansas City, Mo., Police Department.
